

# FY 2021 TRIBAL HOMELAND SECURITY GRANT PROGRAM KEY CHANGES

---

## National Priority Areas for Fiscal Year (FY) 2021

A fourth National Priority Area has been added in FY 2021 in addition to the three National Priority Areas introduced under the FY 2020 Tribal Homeland Security Grant Program (THSGP). The four National Priority Areas are:

1. Enhancing cybersecurity;
2. Enhancing the protection of soft targets/crowded places;
3. Combating Domestic Violent Extremism (new); and
4. Addressing emergent threats (e.g., transnational criminal organizations, unmanned aircraft systems [UASs], weapons of mass destruction [WMD], etc.).

As in FY 2020, investments that sufficiently address one or more of the National Priorities will receive an additional 20% score increase.
